

Tankless Water Heaters

High Efficiency. Unlimited hot water, on demand!

Brawn Bros. Premium Comfort Progam offers easy and affordable heating solutions without the hassle and cost of buying equipment upfront. Upgrading your home's heating has never been easier with zero upfront costs, and affordable and transparent monthly payments. We offer full-service [Tankless Water Heaters](#) in the Greater Toronto Area, **Regina**, and **Saskatoon** to ensure the best heating solution for your home.

TANKLESS

- Higher cost, offset by higher savings
- Takes much less space (wall-mounted)
- Efficiency: 90-95%
- Turns on only when hot water tap is turned on (on-demand), never runs out of hot water
- Life-span: 15-20 years

GAS POWER VENT

- Lower costs, less savings
- large units, use more space
- Efficiency: 65-80%
- Automatically turns on (gas) 8-10 times just to maintain temperature, takes 45 minutes to re-fill if empty
- Life-span: 10-15 years
